

# Important information regarding physical presence at the nation meeting

Honorable Members,

The current pandemic has led to directives from authorities. In order to ensure that these are followed, there will be some structural changes explained below.

## **Control of identity and membership**

In order to be able to check that only eligible individuals participate in the nation meeting, which according to the statutes 2.3 & 2.5 means members (medlemmar) and support members (stödmedlemmar), everyone who wishes to participate will need to pre-register. Membership verification will then be performed on all registered, and only eligible individuals will receive a confirmation-email with a specified **arrival time**. The specified arrival time is to ensure that no throng is created upon arrival. The registration closes on 28/10 at 16.00.

Registration is made via the following link <https://forms.gle/Ho8pRY9YMrGsFGQR7>

Requirements for physical presence:

Valid pre-registration with correctly filled in and working e-mail address

Valid membership, demonstrated by completed membership check

Valid identity check, demonstrated by showing valid identification upon arrival

## **Dissemination of sensitive information**

To reduce the spread of sensitive information to unauthorized individuals, Östgöttagården's annual reports for 2018 & 2019 will not be sent or posted on the website. All members are welcome to read it in the office 09-17 until the 28/10.

The Quratelet also takes the opportunity to remind all members **not to attend the nation meeting if you are ill or have had symptoms within the last 48 hours before the meeting.**

All questions are referred to the curator, and can be sent to [q@ostgota.nu](mailto:q@ostgota.nu).

Welcome!  
Diego Niño Cortés, Curator
