

Information regarding vaccination certificates against Covid-19

Dear members and guests of Östgöta Nation,

Starting December 1st 2021 it will be required to show a vaccination certificate in order to enter the nation's sittings and clubs. If you have been vaccinated in Sweden you can acquire your certificate by logging in to covidbevis.se and downloading it to your Kivra mail box. Note that the certificate is only valid for a certain period of time, so make sure that yours is valid before you go out to dance. Covid certificates from other EU-countries that have a QR-code will be accepted as well.

Note that you need to show the valid vaccination certificate with a QR-code at the door, so make sure that your phone is charged or that you have a physical copy of it.

The requirements when it comes to other activities held by the nation vary, however we strongly encourage everyone that has the possibility to get vaccinated. For other questions regarding vaccination certificates we refer to the following webpage:

<https://www.ehalsomyndigheten.se/tjanster/covid-certificate/>

For other questions please contact our Qurator at q@ostgota.nu

A handwritten signature in black ink, which appears to read 'Brejwo M.'.
